PEACE OF MIND ENVIRONMENTAL FRAGRANCE SPRAY

Chamomile Hydrosol as the Base, 0-Irritation Scent, Mood Soothing + Environmental Deodorization + Allergen Reduction

ANTI-ALLERGEN ENVIRONMENTAL SPRAY

Tannic acid effectively neutralizes pet dander and saliva allergens; cyclodextrin encapsulates odor molecules to eliminate unpleasant smells; suitable for families with infants, young children, or members with sensitive/allergenic constitutions

ENZYME DEODORIZING AND DISINFECTING SPRAY

Compound enzymes break down odors at the source rather than masking them; non-toxic if ingested, and can be used directly on pet beds and mats
